

Dear Pastor,

I trust that you are enjoying the Lord's blessings on your home and ministry. It is our privilege to be the sending church for the Justin Hayes family; missionaries in Seville, Spain.

Justin, his wife, Grace and two sons, Gideon and Silas, have been in Spain for four years now and are being greatly used of the Lord. They have been able to learn the language and become fluent. They have planted the Iglesia Bautista Dos Hermanos, an independent Baptist church that serves the Dos Hermanos community near Seville, and are seeing God bless the work.

Through great effort, God provided a facility that was remodeled and now serves as a beautiful meeting place of the church. As well, they are training future ministry leaders in the Bible Institute, also in Seville.

Justin and Grace will be home for their first furlough from Spain and like so many missionaries, there is a need for them to do some additional deputation. I would ask you to please be prayerful about having them to your church and consider supporting them financially.

Thank you for your consideration of this request and should you have any questions, please do not hesitate to call our office.

In Christ,

Pastor Michael E. Edwards
